

Accommodation Guidance

for international students at Hokkaido University.

Please refer to the following website for details.

<https://www.global.hokudai.ac.jp/university-life/housing/student-dormitories/>

Do you wish to apply for the Student Residence? YES NO

* Ticking the box 'YES' means that you accept the conditions below and you authorize CEED to submit your application to the accommodation office, BeGoodJapan.

- We will apply for your accommodation for the period of your internship, which is indicated on the Certificate of Internship Acceptance, and two days before and after the internship period added up.

- Please be informed that you cannot choose which dormitory you want to stay.

- There are two types of accommodation. Please choose which one you prefer.

1 : A shared room (you are likely to have a roommate.)

2 : Your own room (you may be still located to a shared room.)

* Please note that this is only your request and the accommodation given could be different from what you have expected.

- There is a bed in your room and you have three choices about bedding as below, so please choose one.

A : I want to rent all bedding such as a pillow, duvet cover and blanket.

B : I will purchase all from BeGoodJapan.

C : I only want to rent a mattress pad and will prepare the rest of bedding by myself.

- You will be informed whether you have been allocated a dormitory along with a notification of acceptance.

- *All residents are required to pay 50,000 JPY as an initial security deposit.

If there are no outstanding payments or repairs in your room at the time of moving out, the full amount will be refunded. However, the payment will be made by overseas remittance after the date of moving out, so please be aware that a bank commission charge will be deducted from the deposit.

*Excluding Keiteki Dormitory, Sosei Dormitory.

- If you stay for less than one month, daily rate will be applied instead of monthly rate.

I confirm that I have read the information above and understood fully.
